### PROFESSIONAL SUMMARY

---

Motivated Computer Science student passionate about software development, problem-solving, and continuous learning. During a summer session with peers, I focused deeply on **Data Structures and Algorithms (DSA)**, received **guided instruction**, and solved **over 60 problems on LeetCode** — improving my analytical and coding skills significantly. I aim to join the **A2SV Remote Program** to enhance my DSA expertise, strengthen teamwork and communication abilities, and contribute meaningfully to impactful software projects.
